

产品介绍 Product Introduction:

Fluorine-Free Microwave Popcorn Bags 无氟微波爆米花纸袋 :

Jinan Huafeng Printing Co., Ltd. has developed fluorine-free microwaveable popcorn paper bags based on its original products. The products utilize independently developed fluorine-free oil-resistant technology, perfectly suited for microwave heating scenarios, and meet the latest European and American regulations.

☑ 性能对比：防油等级、抗爆裂性和加热稳定性与含氟包装袋无异，确保爆米花的加热效果和食用体验不受影响

Performance Comparison: Oil resistance, burst resistance, and heating stability are identical to fluorine-containing packaging bags, ensuring unaffected heating and eating experience of the popcorn.

☑ 合规保证：符合美国 FDA 和欧盟 EC 1935/2004 等食品接触材料标准，满足欧美最新的无氟（PFOA/PFOS/PFAS）法规要求。

Compliance Guarantee: Complies with US FDA and EU EC 1935/2004 food contact material standards, meeting the latest European and American fluorine-free (PFOA/PFOS/PFAS) regulations

☑ 绿色安全升级：采用无化学残留的环保涂料，从原材料到成品全程无氟，保障消费者健康和生态环境。

☑ Green and Safety Upgrade: Uses environmentally friendly coatings with no chemical residues, ensuring fluorine-free production from raw materials to finished product, protecting consumer health and the environment.
